The white metal front door to the target dwelling faces west and has a large oval glass window. Just south of the front door is a black mailbox sitting atop a wooden post. The wooden post has large metal numbers "1020" running vertically.

Said suspected place, in addition to the foregoing description, also includes all other buildings, structures, places and vehicles on said premises, and within the curtilage, if said premises is a residence, that are found to be under the control of the suspected party named below and in, on, or around which said suspected party may reasonably reposit or secrete property that is the object of the search requested herein.

2. SAID SUSPECTED PLACE IS IN CHARGE OF AND CONTROLLED BY EACH OF THE FOLLOWING NAMED PARTIES (HEREAFTER CALLED "SUSPECTED PARTY" WHETHER ONE OR MORE) TO WIT:

JOSE FERNANDO CORONA, a Hispanic male, date-of-birth 05-30-1960

3. IT IS THE BELIEF OF YOUR AFFIANT, THAT THE FOLLOWING ITEMS OR PROPERTY WHICH IS SUBJECT TO SEIZURE UNDER THE LAWS OF THIS STATE WILL BE FOUND AT THE SUSPECTED PLACE:

4. AFFIANT HAS PROBABLE CAUSE FOR THE SAID BELIEF BY REASON OF THE FOLLOWING FACTS, TO WIT:

Your affiant is Detective Robert Feagins, a peace officer in the State of Texas employed by the Lewisville Police Department as a peace officer for the past fifteen years, and was acting in that capacity at all pertinent times herein.

As part of this investigation, on April 26, 2010 at 1119 hours, Detective Feagins was notified of a mutilated body lying in the roadway in front of 1026 Shadow Wood Lane, found there by a postal delivery carrier. Responding units located a deceased Hispanic female lying in the roadway, with wounds incompatible with life. Found near the deceased female was a blood trail (including hair and tissue) leading to the front yard of 1020 Shadow Wood, which is the residence immediately to the north of 1026 Shadow Wood Lane. Observed in the driveway of 1020 Shadow Wood Lane, was a white pickup truck, with on open tailgate. On the tailgate were two chainsaws, both of which had blood and tissue matter

on them. One of the chainsaws was still running upon patrol officer arrival.

After officer arrival, a female identified as Carla Corona arrived at the location with her husband, identified as Freddie Arellano. Arellano and Corona observed the deceased Hispanic female and identified her as Carla's mother, Maria Corona. Arellano said that he and Carla had left the residence they share with Maria and her husband, identified as Jose Fernando Corona, to go get their daughter from school. While driving back from picking up their daughter, Arellano received a telephone call from Jose, who said that he "had done it, he had killed her and was going to drag her body next door." The telephone call with Jose was terminated and Arellano attempted to contact Maria via telephone, but was unsuccessful.

The front door to 1020 Shadow Wood Lane was open, and blood could be seen in the doorway. Patrol officers entered the residence to determine if there were any additional victims and then secured the residence until a search warrant could be obtained. Detective Scott Kelly obtained a search warrant for the residence which was executed and evidence of the murder was recovered.

On April 29, 2010 the immediate family members of the deceased, Maria Corona, were interviewed about the offense and your Affiant was present. A daughter of the deceased, Maria Carla Corona described how her father had been going to a "witch" who informed him that that his wife (the deceased) was cheating on him. Detective's also learned from Freddie Arellano, who is Maria Carla Corona's husband, that witchcraft paraphenelia has been located at the house. Freddie Arellano explained that he located a red vile containing a folded piece of paper containing writing concealed under Jose's Corona's bathroom sink.

During the course of this investigation Detectives have learned that there is no state controlled identification held on suspect Jose Fernando Corona (such as fingerprints or a DNA profile). At this time suspect Corona has only been identified through his children and a photograph. Detective's request the retrieval of personal items used by suspect Corona in order to obtain a DNA profile to be used for positive identification of suspect Corona after his apprehension.

WHEREFORE AFFIANT ASKS FOR ISSUANCE OF A WARRANT THAT WILL AUTHORIZE THE ANNOUNCED ENTRY SEARCH OF SAID SUSPECTED PLACE, SEIZE THE ITEMS, PROPERTY, OR PERSON DESCRIBED ABOVE AND TAKE CUSTODY OF ALL SEIZED PROPERTY AND SAFEKEEP SUCH PROPERTY AS PROVIDED BY STATUTE.
